

To whomsoever it may concern

**Mr Aditya** was my student in the course C 2 from **December 2014 – June 2015**. His conduct during this period was very good. He was a sincere and dedicated student who worked well with others in team exercises and strove to reach his goals in the course.

He came to class regularly and was always on time. He has been an enthusiastic learner and has always accomplished his assignments in time.

He has a very good command over the language.

I wish him all the best for his future endeavors.
